Covid 19 (Coronavirus) announcement from the Church of England

Dear Parishioners & Friends of St. Chad's, the following announcement was made by the Church of England yesterday: "In light of the Government guidance around non-essential contact, the Archbishops of Canterbury and York have issued advice that public worship is suspended until further notice."

This means that there will be no Sunday Services at St Chad's until further notice.

St Mary's, Albrighton will be open as usual for private prayer every day .

St Chad's will be open on Tuesday and Thursday mornings from 10a.m to 12 noon for anyone who wishes to pop into church for some quiet contemplative time and prayer.

Over the next trying weeks, when the virus is expected to spread, you may want someone mentioned in prayer. Please contact one of the wardens by email or telephone (see above) and we will pass on your prayer requests.

Revd Mary and her team are looking into live streaming Sunday services from St Mary's, so that people can join in with worship from their homes. There will also be "Worship at Home" booklets available soon in church. More news available later.

I am sure you will all be looking after those who are most vulnerable in your neighbourhoods as will the church. At St. Chad's, we think we have made contact already with those from our congregation who may need shopping etc. Please contact us if you are worried about any elderly or vulnerable person close to you, as we can inform our Pastoral Care Team.

The Church is calling upon us all to support a day of prayer and action this coming Mothering Sunday, 22nd March, including placing a lighted candle in your window at 7.00p.m. as a sign of solidarity and hope in the light of Christ that can never be extinguished.

Perhaps, at this difficult time, it would be good to remember Wolverhampton's Motto:

"Out of darkness, cometh light"

You will all be in our thoughts and prayers,

Yours in Christ,

Pauline Hill, Trevor Elton (Church Wardens)
